

ANTLER

PRODUCT CATALOGUE

Five finishes, five handles, one price.

ANTLER

Design consistency matters. That's why Zanda has introduced its revolutionary new range: Meet the Antler.

Offering five different handles, five different finishes, at only one price.

Additionally, all the accompanying accessories are available in the matching finishes, including door stops, door closers, hinges, cylinders, escutcheons, mortise locks, privacy's, barrel bolts and flush bolts.

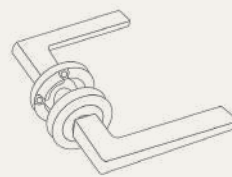

The five luxurious finishes are: Matt Black, Brushed Nickel, Graphite Nickel, Satin Brass and Satin Chrome.

The Antler range is a fantastically versatile range as it suits so many projects including; multi residential, mid to high end residential, and consumers who simply love style, trending finishes and quality.

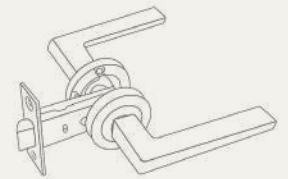

Achieve design consistency across projects with matching finishes in door hardware.
